

## Golf and Utility Cart Upgrades

The following are the options to upgrade golf carts to meet University policies.

### **Lights**

Digital Sho-Me Strobe light-\$375.00 or Single popping (Amber) Strobe light-\$185.00

The golf cart will be wired so the strobe light comes on when the key is turn on.

Wiring-.20 per foot

Labor cost-\$50.00

### **Lettering**

Lettering .09 for each letter and number (all carts will need a department name and a number).

Reflected Tape- \$1.25 per foot (front and back bumper)

### **Signage**

Slow Moving Vehicle Sign-\$11.50

Please Note: You can subtract the equipment cost if your cart already has the equipment on the golf cart.

(Options): Parking Maintenance or Outside Vendor

**Police & Parking Maintenance Supervisor – Ronnie Hallum – 245-7768**

Pickup and delivery-\$15.00 from your department to the shop of Police and Parking Maintenance and back to your department.

Note: Service call from outside vendor is on average approximately \$200.
